Subject 05 cv 5231, SEC v Amerindo, and US v Vilar, 05 cr 621 --  
Problem

Dear Judge Sullivan:

Pardon me for writing an email. However, I must write to let you know of a problem that I hope will not interfere with the schedules in both SEC v Vilar and Tanaka and the criminal case, but which affects my readiness and ability.

Sunday night I fell on ice and sustained a comminuted fracture of my left radius, extending into the hand joint. I was given an over-the-elbow cast at the Northern Westchester Hospital Emergency Room Sunday night, and pain medication.

This coming Monday, March 10, I will be having surgery to hold the bones together.

I hope to be able to be at the March 18 argument on SEC motions, and am trying to arrange transportation. I also am trying to arrange some way of writing/typing the sentencing submission due March 24. I will have to get to see my clients at MDC as well.

I do not desire to delay these matters but have no help, and am letting you know of this problem.
